## **Basham Recognized for Distinguished Environmental Record**

(Lansing)- Senator Raymond E. Basham (D-Taylor) was honored by the Michigan League of Conservation Voters (LCV) today for his efforts to protect our state's air, land and water at their third annual Legislative Awards Breakfast.

He was a distinguished honoree for 2006 for his dedication to protecting the Great Lakes and Michigan's waters from threats, such as invasive species, diversions, and irresponsible water use. He was also honored by the Michigan LCV for scoring 100% on the 2005-2006 Michigan Environmental Scorecard that they issue based on votes made on environmental legislation.

"I'm pleased to be recognized by this exceptional organization for the work that I have done to help protect Michigan's natural resources." Senator Basham stated. "I want to thank Governor Granholm and my colleagues for working with me to ensure the future of Michigan's unique and wonderful resources through responsible stewardship for the generations that follow."
